14th Anniversary Commemoration of 9/11

**to Benefit
Citizens for the Extension of the
James Zadroga Act, Inc.**

The 14th Anniversary Commemoration Benefit is a fundraiser for Citizens for the Extension of the James Zadroga Act, Inc., a grass roots advocacy group whose purpose is to promote and build nationwide support for the extension of the James Zadroga 9/11 Health and Compensation Act, which expires in 2016.

Over 1,000 people have died from 9/11 illnesses. If the Zadroga Act expires, over 70,000 responders and survivors will lose medical monitoring services and thousands will lose medical care provided through the World Trade Center Health Program. In addition, those eligible under the Victims Compensation Fund will see their benefits slashed in half.

Now is the time to ensure that the Zadroga Act is continued, and the heroes and heroines of 9/11 receive care and benefits they deserve and need.

Ticket information is enclosed as well as sponsorship opportunities.

Contributions or gifts to Citizens for the Extension of the James Zadroga Act., Inc. are not tax-deductible as charitable contributions because the organization is a section 501(c)(4) nonprofit that conducts grass roots advocacy activities.
